

**Reference List of  
Regional Tradespersons and Designers  
with Heritage Building and Restoration Experience**

The following is a list of tradespersons and designers that have carried our heritage building or reconstruction work in Kawartha Lakes and the greater region, or that have been added by local businesses. It is not a recommendation or guarantee of quality by the municipality, but rather, is intended as a resource for property owners who are looking for advice or quotations for heritage renovations or building projects. We welcome your suggestions for additional names that could be added to this list.
